Re: DBE Certification

Dear Susan Huber:

The Business Diversity Development office is pleased to notify you that your firm continues to meet the requirements for certification as a Disadvantaged Business Enterprise (DBE), in accordance with Title 49 Part 26 of the Code of Federal Regulations.

Your certification will remain in effect until your next anniversary date, 01/03/2025, provided that your company continues to meet the eligibility criteria established by the Federal Regulation Title 49 CFR Part 26. Please remember, on an annual basis, you must provide an affidavit and supporting documentation affirming that there have been no changes within your company that would affect your current eligibility as a DBE.

Please note that your firm shall remain certified as a DBE until it withdraws from the DBE Program or is formally decertified by the Business Diversity Development office. It is your responsibility to notify this office in writing within 30 days of any changes and to keep your certification up-to-date. Failure to submit a no change affidavit, report any of the above changes to this office, or violation of the rules of the DBE Program may result in revocation of your certification or other possible legal actions as set forth by Title 49 Part 26 of the Code of Federal Regulations.

Your firm's name will continue to appear in the MRCC directory. The directory can also be accessed via the internet at: <https://www6.modot.mo.gov/MRCC/Home/PublicSearch>.

If you have any questions, please contact our office at businessdiversity@flystl.com or 314.426.8111.

Sincerely,
